

**We've moved our printed monthly events calendar ONLINE!**

We now have the monthly calendar with complete event details ready for you to print. Visit our website's homepage, [www.orlandparkchamber.org](http://www.orlandparkchamber.org) to download your copy. After the January 2012 calendar, we will not be mailing copies to our members unless you specifically request it.

As always, our website has the most up to date info on our events. Just check the Calendar of Events tab to see what's happening.
