

Want to “Blast” our Members?

The weekly ChamberNews is emailed to our members every Monday and is a free benefit of your membership. Due to the overwhelming response, please adhere to the following guidelines:

- Your information must be emailed to the Chamber office by Friday noon for inclusion in the following week’s message.
- Please be concise—one paragraph that includes the company name, event, date(s) and contact information for questions. If there is a web link for further information, please include it in the paragraph. Please write in a manner where all is needed is “cut and paste.” We cannot be responsible for grammatical errors or spelling.
- Do not include attachments, logos, fancy fonts, pdf files or graphics. Because the email blast is sent to over 800 recipients, it is often recognized as “spam” and will not be delivered.

If you would like to receive the weekly message, please be sure we have your correct email address. Be sure to add info@orlandparkchamber.org to your address book.

We want to promote all our businesses and their events and email is a great tool to accomplish this. We cannot guarantee every request will be included, but we will do our best. If you have any questions, please contact the Chamber office at 708-349-2972 or info@orlandparkchamber.org. Your cooperation is greatly appreciated.
