## Orland Park Area

CHAMBER OF COMMERCE

We're Growing Places

February 2010

### Membership Testimony: Allison Aidinovich Right At Home

CHAMBERGRAM FEATURE

As a chamber member and owner of Right at Home –In Home Care and

Assistance, I wanted to reach out to other chamber members who may be tossing around the idea of having a ribbon cutting for your business. It was so very easy and it made an impact on our business.

Back in February 2008, Right At Home hosted a ribbon cutting event for our home care business that opened 6 months prior. As veteran

business professionals, my husband and I were impressed with the congenial support and networking opportunities of the chamber members and Ambassadors. But our biggest surprise came weeks later. Little did we know that the ribbon cutting photo that appeared in the Orland Park Prairie after the event, would have an impressionable impact on an Orland Park resident. This resident handed the Orland Park Prairie announcement and picture to the social worker at the hospital and said "This is who I want to help my family and me." From that article and picture, this resident felt a sense of trust and security that we could help him handle the

situation he was facing.

The Orland Park resident is still our client today and has recommended our services to many, including his next door neighbor, who also has recently received Right at Home services.

You never know how you may connect with readers from Chamber press releases but whatever your industry specialty, hosting a Chamber event is another positive way to get the word out about your business passion. Your event can have a huge impact and possibly jump start your business for the price of refreshments and snacks! For us it was priceless!

### The Key to an Extraordinary 2010 - You!

It's safe to assume that as Chamber members we can all embrace the idea of economic recovery, growth, and stability.

So the question is not What we want? but How to achieve it? Entrepreneur, author and motivational speaker Jim Rohn explains the simple, yet often overlooked, solution: "Of all the things that can have an effect on your future, I believe personal growth is the greatest. We can talk about sales growth, profit growth, asset growth, but all of this probably will not happen without personal growth. It's really the open door to it all. In fact I'd like to have you memorize a most important

phrase - The major key to your better future is YOU."

Your Chamber is committed to providing resources to help grow and prosper your business. On May 7, 2010, you and your team will have the opportunity to invest in yourselves at a one day leadership event. OPACC's 2010 Leadercast Extravaganza features the world's best leaders speaking about the leadership principles that matter most.

So mark your calendars and join Jim Collins, Tony Dungy, Connie Podesta, John Maxwell, and others—and prepare YOURSELF for an extraordinary year! For more information visit [www.LeaderCast.com](http://www.LeaderCast.com).

### Marching Into Membership Madness

It's back! Last year's March Madness Event was a great success and is in the planning stages for reappearance. The event, sponsored by Cooper's Hawk Winery, Gordon Flesch Company, Country Financial and Sparks Complete Auto Care, will be held at Cooper's Hawk Winery & Restaurant on March 11<sup>th</sup> and the entertainment will feature guitarist Lupe Martinez. "Our Membership Committee is even more motivated this

year because we have all of the positive feedback from last year's event still fresh in our minds," says Chairman Mark Wright. The event will once again follow the "March Madness" basketball theme, complete with the "Sweet Sixteen" networking activity. "Having activities that start the networking ball rolling is sometimes all people need to make connections," Mark says. In addition, all new members will receive \$50 off of their membership rate and the referring member will receive 10% off of their 2011 renewal rate. Be sure to bring your friends and encourage them to join the Chamber. So watch your chamber mailings for more details in the days ahead and plan on being a part of the fun. Make March Madness work for you!

# From the Top...

## President's Message

Over the years, I have found that the holidays give us permission to take a break from the daily routine of life. Taking that break helps us to come back to work with new energy. That is what starting a new year is about: keeping your mind and attitudes new and fresh. This is a good way to start my year as President. I look forward to working with all of you in 2010. This year let's remember to support our fellow members and shop Chamber members first. Plans are already underway for the 2010 Golf Outing. Be sure to visit the homepage of the website as the Golf Outing Application is currently available for download. This year we are offering our members the option of paying for some of our events and monthly meetings at the time that they renew their membership. Check out your next renewal invoice

this year and you will see an option to prepay your Monthly Membership Meetings, the Golf Outing or the Community Expo along with renewing your membership for the year. Reserving your spots not only helps with your annual budgeting, but also locks in your price at 2009 rates. Be sure to take advantage of this new payment option.

February at the Chamber means a visit from the Mayor with his update on the State of the Village. Orland Park Mayor Dan McLaughlin will be speaking at our February 24 Monthly Meeting so be sure to set time aside to visit Silver Lake Country Club at 7:45 am.

You'll want to check out the article on our cover page regarding the March Madness Membership Event on March 11 at Cooper's Hawk Winery & Restaurant. Are there businesses that you would like to introduce to a Chamber membership?

Give them a call and invite them to attend this event or bring them a membership packet. If they join by March 31, they will receive \$50 off their membership rates and you will receive 10% off your 2011 membership renewal dues.

A special thank you to those members that hosted our January events: Mulcahy, Pauritsch, Salvador & Co., Ltd. for the valuable tax information shared at our Business Unwrapped Buca di Beppo for their Business-After-Hours Parkway Bank & Trust for hosting our Member Orientation

Stay warm and remember.... shop Chamber members first!

*John*

John Bibeau  
Mulcahy, Pauritsch,  
Salvador & Co., Ltd.

## Mayor's News and Notes

Dear Members,

Congratulations to newly elected Chamber President John Bibeau and the 2010 Board of Directors. I look forward to working with you in the coming year supporting Orland Park businesses.

It's not too late to purchase tickets to attend the Chefs' Auction for Breast Cancer Research on Thursday, February 18 at the Orland Chateau. Tickets are available at the Franklin Loebe Recreation Center and at the Village Sportsplex. For tickets and information, please call 403-7275. I hope to see you there to help support this worthy cause.

The village's "Warm a Heart Winter Drive" began in October and will continue through the winter

months. Donations of new winter hats, scarves, and mittens for needy children and adults can be dropped off at the Village Hall or the village's Sportsplex. Collected items will then be delivered to those in need. For more information on this program, please call the village's Office of Special Services at 403-6188.

The village's Office of Special Services is conveniently located on the first floor of the Village Hall providing a number of programs and services. The office is an authorized Passport Acceptance Agent where you can apply for or renew a passport. Medical ID Bracelets are provided free to residents, with a medical condition. The office also offers the Rapid Recovery Program, an electronic tracking system that will locate a resident who might

have Alzheimer's, Autism, or other special needs. This program is a reliable, responsive, practical, and affordable live-saving system. For information on these and other services provided, please call the Office of Special Services at 403-6188.

The Crime Free Housing Ordinance requires that landlords and/or property agents attend one (8 hour) landlord training seminar. The Police Department conducts the Crime Free Rental Housing Seminars and registration is required. Please contact the Police Department for registration and information on these seminars.

Sincerely,

Daniel J. McLaughlin, Mayor  
Village of Orland Park

## OPACC Member Spotlight

### Kidz@Play

### Childcare to Meet Your Changing Needs

**Kidz@Play** is an expanding childcare facility located at 11351 W. 183rd Street in Orland Park. The center has been open for a little over a year and is excitedly entering its second year in business. As a DCFS licensed childcare facility Kidz@Play is proud of its highly qualified staff of professionals. Offering childcare services that cover children ages 6 weeks to 12 years old, the facility is unique in that it offers several different types of childcare to fit the ever changing needs of parents and caregivers today.

Kidz@Play provides hard to find childcare for families that work past 6 pm during the week and

on Saturdays and for those who need spur of the moment care for their child or simply do not have a babysitter for the night. The goal of this new childcare facility is to provide parents with top-notch, convenient, dependable care and children with a fun-filled

learning environment. Learning at Kidz@Play takes place in everything that children do, from social interaction with peers in a play environment, to more structured and planned learning experiences. Both types of interaction are necessary parts of early childhood development. Kidz@Play strives to provide a positive environment that combines learning with play so that children will have endless fun, while providing parents piece of mind.

Visit Kidz@Play on the web at [www.kidz@playchildcare.com](http://www.kidz@playchildcare.com) or call for more information at (708) 478-8533.

**Bella Donna Salon & Spa** recently celebrated their one year anniversary as a state-of-the-art spa. The salon's products and modern techniques are combined with a warm, comfortable atmosphere to provide clients with an unforgettable salon experience. The professional staff has years of experience and are dedicated to serving clients to their satisfaction, which means customer service is the centerpiece of their mission. Stop in and find out for yourself. The salons' services include: \$15 Men's Haircut ~ \$27 Women's Haircut & Style ~ \$40 Facial ~ \$50 Massage ~ \$35 Manicure & Pedicure. Bella Donna Salon and Spa is located at 9121 W. 159th Street in Orland Park. You can reach owner Athanasia Polizios or make an appointment at (708) 349-3400.

Open For Business...

RIBBON CUTTINGS • BAH'S

Congratulations to Bettenhausen Chrysler Jeep as they open their new location at 15419 S. 94th Avenue in Orland Park. They celebrated with a great Holiday Party!

Bob Webster, Verse One, hosted a Holiday Party for members of the Orland Park and Homer Glen Chambers.

Chamber members were on hand to congratulate Cutie Poops and Bottoms at their Ribbon Cutting. The new store is located at 14910 S. LaGrange Road Orland Park.

Thank you to Cindy Kelly and Buca di Beppo for hosting a fantastic Business After Hours for the Chicago Southland and Orland Park Area Chamber of Commerce.

Culver's of Orland Park celebrated their groundbreaking for their new location at 9130 W. 159th Street, Orland Park. The restaurant is scheduled to open in late February.

Jerry Grable, Univera, has a tax question for John Bibeau and Tim Owens, MPS, at Business Unwrapped.

Don Jones, DRZ Enterprises, helped the Novus Group learn how to make the most of networking. Pictured with Kristin Zell, Leaders Bank, and Jason Bruxvoort, MetLife.

Thank you to the Committee for all of their work on this event. ## Protect Yourself-Take Inventory

**Ken Sidlowski, Southpoint Insurance**

How much do you stand to lose if your home is damaged or burglarized? While the memories attached to the items in your home cannot be replaced, the actual contents of your household can be protected if you have homeowners insurance. Creating and safely storing an inventory of your personal belongings can help you determine what was exactly damaged or stolen if such an event occurs. This will simplify the claim process and help ensure your settlement amount is appropriate. A simple way to complete an inventory is to record the items of each room by category, noting the quantity, serial number, make and model, approximate date purchased and the purchase price. It's helpful to supplement the inventory with photos or a videotape

of entire rooms or close-ups of individual items. Once all belongings have been recorded, add up the value of the contents of each room. Then, store the completed inventory in a fireproof container or a place away from your home, such as a safe deposit box.

If your property sustains damage, take the following steps:

- Report the claim to your insurance agent as soon as possible. Check to see if your insurer has a 24-hour phone number so policyholders can use to report their claims.
- If the claim involves a theft, report the incident to your police department.
- Prepare a list of the damaged or stolen articles.

Include a brief description of each item, including its age, current value, make, model and serial number if you have it. Make a copy of the list for your adjuster.

- Protect your property immediately against further damage or theft. For example, use plywood or tarps to cover broken windows and damaged rooftops.
- If your home is uninhabitable, make sure your agent and adjuster know where you can be reached. If you change locations, provide them the new phone numbers.

## Introducing OPACC Last Wednesday's!

Join us on the final Wednesday of every month to discuss concepts in one book. The book we are starting with is Harvey Mackay's *Swim With the Sharks Without Being Eaten Alive*. Before the printing press was invented, writings and letters were read orally by one person, and then shared and discussed in small groups. In this age of information, our hope is to look back at what once was an incredible learning experience for individuals and apply it to today. The goal is to not get through as many books as possible, but to take concepts in the resources we have available and wrestle with them, discuss them, debate them, and learn from each other. This month's meeting will be held on February 24 at 5:00 pm at Borders Books, 15360 S. LaGrange Road, Orland Park. BYOB (Bring your own Book) Hope to see you there!

**Dave Dykstra**

## Darin Steen, Steens Elite Physiques

## Take the Healthy Transformation Challenge for 2010!

We are killing ourselves. New stresses are rattling us all. Many are not exercising, many are not eating, some are eating too much, and most are not sleeping. With all the demands on small to medium sized business owners it seems to be almost impossible to maintain a balance between self (health & fitness), business, and family relationships. Most of us know we should exercise to combat the stress but many are not. No matter what the reason for not exercising, I challenge each of you to give 3 hours per week to exercise. Make a commitment to a new healthy lifestyle that will change not only your waist line but your life.

Exercising is not just about improving your overall body fat percentage (which is nice); it's about being fully engaged, it's about having real energy throughout the day (not 2 cups of coffee in the morning or diet pill energy); it's about being more creative, it's about having some energy left over when you pull in the drive way for the most important people in your life - you and your family. Your mind, body, and soul are directly connected. When you exercise, and improve the food that you eat and the thoughts that you think you will not only add life to your years, but years to your life.

Start 2010 off in a healthy way and become a part of Darin Steen's (Steen's Elite Physiques) "Six Week Body / Life Transformation Contest". This healthy lifestyle program

is being offered to the Orland Park Area Chamber members, their employees and the employees of the Village of Orland Park.

The program includes two group personal training classes and one fun/fit dance class per week. Nutrition

counseling, precise goal setting and positive mindset techniques will also be taught. Give us those 3 hours per week and give yourself a "New You" for the rest of your life.

The Challenge begins on March 1st. Total Fee for the "Six Week Body / Life Transformation Contest" will be \$540. Physical results will vary but our average client loses 15 lbs. of fat, gains 4 lbs. of muscle and loses 3 inches off their waist. To make this a true challenge, there will be one male and one female winner. Winners will receive a counter top water filtration system. To take part in the challenge or for information on it email Darin Steen at [darin@fatlosslifestyle.com](mailto:darin@fatlosslifestyle.com) or call him at (708) 307-1579.
